## **SUMMARY OF DECISION**

By this Order, we allow the special rate contract between Bangor Hydro-Electric Company (BHE or the Company) and Brewer Automotive Components, Inc. (Brewer or the customer) to go into effect temporarily but we do not make any finding regarding the reasonableness of the contract.

## **DISCUSSION AND DECISION**

On March 9, 2001, BHE filed with this Commission a proposed five-year customer service agreement (CSA) with Brewer. In its request for approval, the Company asked that the CSA be allowed to go into effect temporarily, pending the outcome of a review to determine its reasonableness.

Consistent with the Company's request, we hereby grant temporary approval of the agreement without making any finding regarding its reasonableness. This docket will be kept open to allow the reasonableness of the CSA to be considered under a more thorough review of its terms. At the conclusion of that review, the Commission will issue a finding regarding the appropriateness of the agreement. To the extent the Commission finds that the terms or conditions of the contract are not reasonable, the contract terminates, by its own terms, as of the date of that final order.

Accordingly, we
